SOFTBALL TRAINING CAMP

July 21-23, 2019

## TEAM ABOVE SELF

**We are one unit of sisters whose purpose is to glorify the Lord through competition, selflessness, and servanthood on and off the field.**

In a sport driven by individual stats and performance, learn the fundamentals and skills that have challenged IWU Softball student-athletes to reframe their approach and to strive for excellence in their role in order to advance the team's success. IWU Softball's Summer Training Camp will teach you the importance each at bat has in winning the inning – focusing on the quality of your at bat through drills and game experiences. Embrace the opportunity to change your perspective of the game and to take your game to the next level! See

**See you at Wildcat Field!**
